

## *Ravensbourne Forest Chalets January 2012 e-newsletter*

*Happy New Year, may 2012 be filled with wonderful memories for your future.*

After an action packed 2011 we hope and pray that this year will be one that is filled with wonderful memories and precious moments. No doubt many of you are in 'Back to School' mode getting uniforms and books ready for another big year. We hope this goes well and is not too stressful for you all. Covering all the books was always a challenge for me!!

We were very excited recently when Baz McAlister from the Sunday Courier Mail's Sunday Mails Escape published his list of the '50 things to do this summer' and he listed staying at Ravensbourne Forest Chalets as number 5. You may want to check the list out on the following link:

<http://www.news.com.au/travel/holiday-ideas/things-to-do-this-summer/story-e6frfgei-1226205791470>

We have enjoyed having many guests to stay during December and this month and many have mentioned how much they enjoyed reading the above article. We were so keen to check out numbers 1, 2, 3 & 4.

Last February we mentioned in the newsletter about Paul and Robin Friedrichs and their family in Murphys Creek and how their home collapsed during the floods of January 10<sup>th</sup>. Well, the great news is that their new home is being painted and they hope it will be finished with in the next month. Many thanks to all who have supported them by purchasing their Premium Fresh Start coffee. If you wish to purchase any on line you can by contacting them on : [www.blackcatcoffee.com.au](http://www.blackcatcoffee.com.au). All proceeds from the coffee sales go directly to the rebuild of their home. Below is a photo of their new house which was taken last month.

From this in January 2011

To this in January 2012.
